

# Multivariate Analysis Project Proposal

*Group 4*

*8 March 2019*

- 1. Background to data set – why is this an interesting data set?**
- 2. Why is it a multivariate data set?**
- 3. General aim of the future multivariate analysis (not set in stone!)**

Note:

- No need to specify concrete statistical methods (yet!)
- Not more than 1-2 pages
- One proposal per group
